Classes are scheduled for the following dates:

If these classes do not meet your needs please can call the American Heart Association at 206-529-0100 or the American Red Cross at 206-323-2345

There are two ways to register.

1) You may print a registration form off the website at www.southkingfire.org. Under the Community Services Tab select Services. Click on the CPR class registration form link. Print and complete and then, mail your registration form to 31617 1st Ave S – Federal Way, WA 98003. Please mark the envelope ATTN: CPR.

2) You may also register in person at the Fire Station located at 31617 1st Ave S in Federal Way. If you do not have a registration form, one will be supplied to you at the time of registration.

Again, registration is not complete unless your registration form is received no later than 10 days in advance of a class. As it gets closer to the end of the month the classes fill up fast. Please call to make sure that there are still openings available.
