Chief Church thanked Senator Edie and Representatives Miloscia and Orwall for everything that they do for us and the community. He added that he is no longer Chair of the WFC Legislative Committee, he is now President of the WFC but you will continue to see him in Olympia. He noted that we are aware that this will be a very difficult legislative session in Olympia so we do not plan to go after any bills that have any financial impact and we look forward to working with our partners to protect the bills that have already been passed.

Senator Eide thanked us for all of our years of service and protecting our community.

President Herrera thanked the Legislators for passing the presumptive disease bill for firefighters, as there was a firefighter in Woodinville that just passed away from a presumptive disease at the young age of 45.

Commissioner Gates congratulated all of the Legislators in the room for being re elected.
