DISCUSSION WITH 30th & 33rd DISTIRCT LEGISLATORS

Chief Church thanked the legislators for everything they do, he added that we know you will have a tough 105 day session and that the McCleary bill is the first and foremost important bill to discuss and come to agreement on. He noted that we are aware that this will be a very difficult legislative session in Olympia so we do not plan to go after any bills that have any financial impact and we look forward to working with our partners to protect the bills that have already been passed.

Chief Church reviewed and discussed the implications of a levy swap and there was some additional discussion amongst the group on some of our priorities and general fire service related bills. The legislators reminded us to come to Olympia to testify for or against bills that are up for hearings to show our direct support.

Meeting adjourned at 1405 hours.
